Sir:

General Electric - Global Research has been notified by Examiner Kevin Little that a problem has occurred involving imaging of all papers originally filed for US Patent Application serial number 10/649,429, attorney docket number 131959-1.

Per Examiner Little's instructions, we are mailing copies of the papers to this address to resolve this problem. Should you require further information or assistance, please contact the undersigned.

Sincerely,

Paul J. DiConza
